PICKERS DIVISION RULES AND PRIZES

Pickers division contest rules:

1. Pickers shall choose guitar, mandolin, or banjo (4 or 5 string only) and play by age groups.
2. A round shall consist of two tunes, one fast and one slow (not a typically fast tune slowed down). Contestants may only play one of the four instruments for each contest category; but may compete in more than one category. A round shall not last more than three minutes. If a contestant goes over the time limit, a penalty will be assessed. A contestant may play a tune only once during the contest.
3. No music is to be displayed on stage.
4. Contestants are encouraged to bring their own accompanists. Only acoustic instruments will be allowed as accompaniment.
5. If a string breaks, the player will decide whether to continue or to begin again with the tune in which the string broke. Time is suspended during repairs.
6. There will be one round only. In case of a tie, the tying contestants will each play one tune, but not a tune which was played in the first round.
